## Surfs Up \$5,000

Help keep our virtual events free!  
At this level benefits include:

- ❖ Dedicated sponsor table in virtual lobby during Friday breaks
- ❖ Company logo on all event messaging and published videos
- ❖ Company logo featured on the Mapping USA webpage
- ❖ Social media recognition on all OSM US accounts

## Point Break \$3,000

Support the OpenStreetMap US community and have a solid marketing presence. Benefits:

- ❖ Company logo on all event messaging and published videos
- ❖ Company logo on Mapping USA web page
- ❖ Social media recognition on our Twitter, Facebook and Instagram accounts

We are proud to offer Mapping USA as a free event to our community. Your sponsorship supports this as well as OpenStreetMap US programming throughout the year. OpenStreetMap is becoming central to the growth and success of many organizations but cannot thrive without your support.

## Hang Ten - \$1,500

Give back to the OpenStreetMap US community while having a formal marketing presence.

Your company logo will be featured on Mapping USA web page and we will recognize your generosity with a post on our social media accounts.

## Coastline - \$500

Show your support for OpenStreetMap US and the future of open source data.

Your company name will be listed on the Mapping USA web page.

## Hosted by OpenStreetMap US

We grow and support OpenStreetMap, the free and open-source world map. OpenStreetMap US connects, educates, and collaborates with a network of educators, volunteers, professionals, and businesses who incorporate open source geographic data in their research or products.
